The University of Tokyo Grant for Ph.D. Research is offered to support the academic pursuits of outstanding doctoral students. It also aims at delegating necessary scientific research activities to the students in order to improve the quality of research.

**Eligibility:** Ph.D. students enrolled in the Graduate School of Agricultural and Life Sciences.  
(The applicant must be able to pursue scientific research during the grant period)  
*Eligibility excludes:*  
  a. those on leave of absence  
  b. those receiving JSPS Research Fellowship for Young Scientists at the time of application  
  c. those receiving Japanese Government (MEXT) Scholarship at the time of application  
  d. those receiving The University of Tokyo Fellowship Special Scholarship Program for International Students  
  e. those who received full tuition exemption for the First Half of AY2017 are not eligible to apply  
  f. those who receive a scholarship or grant that does not permit receiving another grant due to limitation on the total amount to be received. The applicants must verify this condition prior to applying. (eg. RA, the Program for Leading Graduate Schools)

**Grant Period:** From August 1, 2017 until January 31, 2018 (6 months)  
**Monthly Grant Amount:** 50,000YEN  
**Number of recipients:** 110 students (proposed)  
**Submit to:** The Department Support Team, Academic Affairs Division, Graduate School of Agricultural and Life Sciences/Faculty of Agriculture (Student Service Center in Faculty of Agriculture Bldg.3).  
**Deadline for Application:** June 16 (Fri.) 17:00 (Submission after the deadline will not be accepted)  
**Documents to be submitted:**  
  1. Application for Grants for PhD Academic Research  
  2. Bank Account Registration Form  
  3. Copy of Residence Card (both sides) clearly showing the residence period and photo

**Selection Method:**  
The selection shall be conducted by each Department and the Scholarship Committees, and the result will be notified to the recipients along the notice and format of the research report.

**Note:**  
- You need approval of your supervisor (Sensei) before application.  
- Applicants who received the grant last year and have not submitted the research report need to submit it until the application deadline.  
- Selection results will be notified to the lab by post. The documents required for payment will be sent to the grantee together with the results. Make sure to complete all procedures in the designated period.
Note:
- Applicants whose period of stay will expire during the grant period must submit of the residence card after renewal of the residence period.
- The monthly grant will be paid on the 17th of the following month (or on the 15th if the 17th falls on a Sunday, or on the 16th if the 17th falls on a Saturday, or on the 18th if the 17th falls on a holiday stipulated in the Act on National Holidays (Act No. 178 of 1948)).
- The grant is considered as a salary, and therefore, income tax will be deducted from the monthly amount.
- If a grantee fails to perform the academic research properly or have any fraudulent act, the grant may be terminated at any time during the grant period. Also, a grantee may request to terminate the grant for his/her own reasons.
- If a grantee takes leave of absence, withdraw from the university, or complete his/her research during the grant period, the grantee must follow the procedure to terminate the grant.
- After completing his/her research, the Research Accomplishment Report must be submitted to the Academic Affairs.
