

# Liability Insurance coupled with "Gakkensai" ("Futaibaiseki")

## Insurance for accidents involving third parties or their property

\*"Gakkensai" means Personal Accident Insurance for Students Pursuing Education and Research.

The students studying at the Faculty of Agriculture and the Graduate School of Agricultural and Life Sciences are enrolled in the "Incidental Liability Insurance Course A" with the Faculty/ Graduate School bearing the cost of the insurance premiums. (Students do not need to take any action themselves.)

This insurance protects students when he/she bears legal liability for damages arising from inflicting injuries to third parties or damaging any property belonging to third parties.

### Covered students

Students covered by the insurance plan are as follows:

(Including students on leave of absence)

#### Undergraduate students:

Senior Division students, Research students

#### Graduate students:

Master's students, Doctoral students, Research students,

Overseas research students.

### Scope of activities covered under this insurance

During regular curricular activities, school events, extracurricular activities\* (Internships, nursing care experience, educational practice, nursery practice, volunteer activities) and commuting to and from them.

\*: The internship or volunteer activities carried out for internship or volunteer purposes by student groups in the school approved by the academic institution in accordance with the formalities prescribed by the school. However, any activity held in times and locations prohibited by the school and prohibited conduct shall not be covered.
