

## Application Guidelines for Associate Professor Position

Department of Biological and Environmental Engineering (Laboratory of Water Environmental Engineering),  
Graduate School of Agricultural and Life Sciences, The University of Tokyo

1	Position	Associate Professor
2	Number of Positions	One
3	Starting Date	November 1, 2022 or the earliest possible date thereafter
4	Term of Employment	Non fixed-term
5	Work Location	1-1-1, Yayoi, Bunkyo-ku, Tokyo (University of Tokyo Yayoi Campus)
6	Affiliation	Department of Biological and Environmental Engineering, Laboratory of Water Environmental Engineering, Graduate School of Agricultural and Life Sciences, The University of Tokyo
7	Job Details	<p>1) Research Area: Water Environmental Engineering, Research on water and material cycles in rural areas and on hydraulic design, operation and maintenance of irrigation and drainage systems.</p> <p>2) Undergraduate Subjects: Hydraulics, Hydraulics Exercises, Irrigation and Drainage Engineering, Hydrology, Irrigation and Drainage Facilities Engineering, Flow Science, Applied Analysis and Exercises I/II, Biological/Environmental Engineering Experiments I, Biological/Environmental Engineering Training, Graduation Thesis, etc.</p> <p>3) Graduate Subjects: Special Lecture on Hydraulics, Special Lecture on Irrigation and Drainage Engineering, Biological/Environmental Engineering Experiments/Training, Biological/Environmental Engineering Exercises, Biological/Environmental Engineering Special Experiments/Training, Biological/Environmental Engineering Special Research I/II.</p>
8	Working Hours	Discretionary labor system: Working hours is deemed as 7 hours and 45 minutes per day
9	Days Off	Saturdays, Sundays, national holidays, and year-end through New Year holidays (from December 29 to January 3 of the following year).
10	Salary	<p>Basic Salary will be decided taking your academic background, professional background, etc. into account. Wage Raise System: Yes</p> <p>Examples: Doctor / from JPY 340,000</p> <p>Various Allowances: Bonus (twice a year), Commuting Allowance (basically up to JPY 55,000), and other allowances decided by the University</p>
11	Insurance	Appointees will be enrolled in the Mutual Aid Association of Ministry of Education, Culture, Sports, Science, and Technology as well as employment insurance.
12	Required Qualifications	<p>1) Ph.D., an equivalent qualification, or evidence that either will be obtained by the starting date.</p> <p>2) Those who have excellent research achievements in the above research areas and are expected to develop original and high-level research in the future.</p> <p>3) Those who can lead the field of study and actively provide education and research guidance to students.</p> <p>4) Those who can take charge of the above research areas and lectures/exercises/experiments.</p> <p>5) Those who have ability and enthusiasm to actively develop educational and research activities from an international perspective and social collaboration with industry, government, etc.</p>
13	Application Documents	<p>1) Curriculum vitae (Please use The University of Tokyo Standard Resume Form, downloadable from the following link: <a href="https://www.u-tokyo.ac.jp/en/about/jobs.html">https://www.u-tokyo.ac.jp/en/about/jobs.html</a>)</p> <p>2) List of academic publications</p> <p>3) Up to 5 reprints of major papers</p> <p>4) Educational achievements</p> <p>5) Acquisition of competitive funds (for the past 5 years)</p> <p>6) Social contribution (society activities, committee activities, etc.)</p> <p>7) Self-evaluation of research so far, future research policy and aspirations (about 1200 words)</p> <p>8) Education policy for undergraduate and graduate students (about 1200 words)</p>
14	Application Deadline	<p>All documents must be received on or before (Monday, August 1, 2022).</p> <p>After screening of the application materials, short-listed candidates will be interviewed.</p>

15	Application Method	Application documents should be submitted as email attachments in pdf format and sent to agyoshi[at]mail.ecc.u-tokyo.ac.jp (please replace [at] with @) with the subject line "Application documents". If the total file size of the documents exceeds a 3 MB file attachment limit, send the documents in separate emails so that the attachment size for each email does not exceed 3MB.
16	Contact Information	1-1-1, Yayoi, Bunkyo-ku, Tokyo, 113-8657 JAPAN Graduate School of Agricultural and Life Sciences, The University of Tokyo Department of Biological and Environmental Engineering (YOSHIDA Shuichiro) TEL: +81(0)3-5841-5344 E-mail: agyoshi[at]mail.ecc.u-tokyo.ac.jp (Please replace [at] with @.)
17	Probation Period	There will be a six-month probationary period at the beginning of the appointment.
18	Employer	The University of Tokyo
19	Additional Information	Please note that application documents will not be returned. Personal information obtained through this application process will be used only for the screening and the recruiting of the applicants, never for any other purpose. The University of Tokyo promotes gender equality. We encourage applications from female researchers. During the period of employment, sharing controlled technology to you may be prohibited by FEFTA and it may become difficult to achieve your job as a faculty or a staff member of the University if you are under the control of a foreign government, corporation or university by contract, or under the control of a foreign government by economic interests. In such a case, you need to keep the contract or interests within the range that does not incur such restrictions. We'll take your Japanese and English skills into account.
