

## Samples of digital seal

Please make your **original** digital seal and use the same one for tutor activities as a proof that you filled in the Time Sheets by yourself.

*Taro Godai*

Scan the paper you put your seal. Paste the data on "Paint"(Windows) and fix size, etc. Save it as a png.

Make an original shape by combining a shape and texts on Word/Excel. Paste it on "Paint" and save it as a png.

Scan the paper you signed. Paste the data on "Paint" and fix size, etc. Save it as a png.

Please use this type for affixing seal.
