## 5. Documents to be submitted

Documents to be submitted should be submitted (a) through (h), (j) and (k) in accordance with the Application Guideline "10. Application Documents".

「(k) Documents required to be submitted by the department 」 must be submitted at the time of application in the table below.

Recommendations (1 paper or more)	<ul style="list-style-type: none"><li>• To be requested from a person who is familiar with the applicant's research life and research content.</li><li>• The applicant's name must be written on the front of the envelope.</li><li>• The application must be submitted by postal mail (see "4. Application Procedures and Period " in the Application Guideline).</li></ul>
--------------------------------------	--

## 6. October Admission

Those who meet the application qualifications specified in the Application Guideline may apply for admission in October 2024. Applicants must upload the "(j) Application for admission in October " from "10. Application Documents" in the Application Guideline to the Web Entry System during the relevant application period.

## 7. Other matters

(1) Notes on inputting information into the Web Entry System

- a. All designated fields must be filled in. If any field is not filled in, the application will be treated as incomplete.
- b. Enter the name of the applicant's preferred field of specialization and the name of the applicant's preferred faculty advisor(s) up to the third choice, referring to the "List of faculty members and their fields of specialization". You may enter another faculty member in the same specialty as a second or third choice. If you do not have a second or third choice by any means, do not enter it.  
If there are any changes in the names of faculty members, etc., please check the latest version of the "List of faculty members and their fields of specialization" in the Application Guideline before applying.
- c. Be sure to enter the name of the subject you will take in the "Specialized Subject" column. If not entered, the application will be treated as incomplete.
- d. Please enter your history up to the date of (expected) graduation from a university. Applicants for the Special Admissions for Working Adults must also enter their employment history.
- e. If you have jumped years or have been educated outside Japan, please contact the Graduate Student Section, Academic Affairs Division, Graduate School of Agricultural and Life Sciences (see "14. Inquiries and Contacts" in the Application Guideline) for information on how to enter your educational background.

(2) Refer to the Graduate School's website or the information in the Application Guideline for where to obtain previous years' questions.

(3) If you have any questions about the entrance examination for this department, please contact the Department of Animal Resource Sciences (see "Contact Information for Each Department" in the Application Guideline).

(4) Please read the Application Guideline and this Admissions Guide for the Graduate School Admission Examination carefully. If you have any questions about the application process, please contact the Graduate Student Section, Academic Affairs Division, Graduate School of Agricultural and Life Sciences (see "14. Inquiries and Contacts" in the Application Guideline) well in advance.

## <Schedule B>
