**Department of Biomaterial Sciences
Graduate School of Agricultural and Life Sciences
The University of Tokyo
Admissions Guide - Master's Course
(General Admissions / Special Admissions for Working Adults)
Academic Year 2025**

The following is a supplement to the Application Guideline for the 2025 for the Master's Course, Graduate School of Agricultural and Life Sciences, the University of Tokyo. Only Schedule A will be conducted for the General Admissions and Special Admissions for Working Adults for the Master's Program in the Department of Biomaterial Sciences.

Applicants for the Special Admissions for Working Adults in the Master's Course for the Architecture Course of the Department of Biomaterial Sciences should refer to the admissions guide.

<Schedule A>

1. Application Period

From Wednesday, June 19, 2024 (10:00 a.m.) to Tuesday, June 25, 2024 (5:00 p.m.)
Please read the Application Guideline carefully before applying.

2. Written Examinations

(1) Foreign Language (English)

Submit official TOEFL-iBT or TOEFL-iBT Home Edition scores.

For details, please refer to "7. Written Examination (Foreign Languages)" in the Application Guideline.

(2) Specialized Subjects

At the time of application, students must select two subjects from the following eight courses: 1) Wood Physics, 2) Wood-based Materials and Timber Engineering, 3) Paper Science, 4) Forest Chemistry, 5) Wood Chemistry, 6) Polymeric Materials, 7) Adhesion Science and Biocomposites, 8) Sustainable Material Design.

However, be sure to include courses related to your first choice of specialty.

In each subject, the fundamental contents related to each (similar to the general education subjects in the previous year's examination) will be presented as one big question.

The examination will be conducted face-to-face in a written format (questions will be written in Japanese, English, or both Japanese and English).

3. Oral Examination

The examination will be conducted in a face-to-face format (face to face with the examiner at the examination site).

4. Examination Dates

Examination Subjects		Date and Time	Examination Venue
Written Examination	Specialized Subjects	Thursday, August 8, 2024 13:30-17:00	Notification will be made in the "Guidelines for Examinees".
Oral Examination		Designated time on Friday, August 9, 2024 Details of the time will be provided in the "Guidelines for Examinees".	

(Note) Examination times are subject to change.

5. Documents to be submitted

Documents to be submitted should be (a) through (j) in accordance with "10. Application Documents" in the Application Guideline.

6. October Admission

Those who meet the application qualifications specified in the Application Guideline may apply for admission in October 2024. Applicants must upload the form "(j) Application for admission in October" from "10. Application Documents" in the Application Guideline to the Web Entry System during the application period.

7. Other matters

(1) Notes on inputting information into the Web Entry System

- a. All designated fields must be filled in. If any field is not filled in, the application will be treated as incomplete.
- b. Enter the name of the applicant's preferred field of specialization and the name of the applicant's preferred faculty advisor(s) up to the third choice, referring to the "List of faculty members and their fields of specialization" in the Application Guideline. You may enter another faculty member in the same specialty as a second or third choice. If you do not have a second or third choice by any means, do not enter it.

If there are any changes in the names of faculty members, etc., please check the latest version of the "List of faculty members and their fields of specialization" in the Application Guideline before applying.

- c. Be sure to enter the name of the subject you will take in the "Specialized Subject" column. If not entered, the application will be treated as incomplete.
- d. Please enter your history up to the date of (expected) graduation from a university. Applicants for the Special Admissions for Working Adults must also enter their employment history.
- e. If you have jumped years or have been educated outside Japan, please contact the Graduate Student Section, Academic Affairs Division, Graduate School of Agricultural and Life Sciences (see "14. Inquiries and Contacts" in the Application Guideline) for information on how to enter your educational background.

- (2) Refer to the Graduate School's website or the information in the application guidelines for where to obtain previous years' questions.
- (3) If you have any questions about the entrance examination for this department, please contact the Department of Biomaterial Sciences (see "Contact Information for Each Department" in the Application Guideline).
- (4) Please read the Application Guideline and this Admission Guide for the Graduate School Admission Examination carefully. If you have any questions about the application process, please contact the Graduate Student Section, Academic Affairs Division, Graduate School of Agricultural and Life Sciences (see "14. Inquiries and Contacts" in the Application Guideline) well in advance.
