**Wooden Architecture Course, Department of Biomaterial Sciences
Graduate School of Agricultural and Life Sciences
The University of Tokyo
Admissions Guide – Master’s Course
(Special Admissions for Working Adults)
Academic Year 2025**

The following is a supplement to the Application Guideline for the 2025 for the Master’s Course, Graduate School of Agricultural and Life Sciences, the University of Tokyo. Only Schedule A will be conducted for the Special Admissions for Working Adults for the Master's Course in Wooden Architecture Course of the Department of Biomaterial Sciences.

<Schedule A>

1. Application Period

From Wednesday, June 19, 2024 (10:00 a.m.) to Tuesday, June 25, 2024 (5:00 p.m.)
Please read the Application Guideline carefully before applying.

2. Written Examinations

(1) Foreign Language (English)

Submit official TOEFL-iBT or TOEFL-iBT Home Edition scores.

For details, please refer to "7. Written Examination (Foreign Languages)" in the Application Guideline.

(2) Specialized Subjects

At the time of application, students must select two courses from the following three subjects: 1) Architecture, 2) Wood Science, and 3) Wood Utilization System studies.

However, the applicant must include a subject related to their first choice of field of specialization. The examination will be conducted face-to-face in a written format (questions will be given in Japanese).

3. Oral Examination

The examination will be conducted in a face-to-face format (face to face with the examiner at the examination site).

4. Examination Dates

Examination Subjects		Date and Time	Examination Venue
Written Examination	Specialized Subjects	Thursday, August 8, 2024 13:30-16:30	Notification will be made

Oral Examination	Designated time on Friday, August 9, 2024. Details of the time will be given in the “Guidelines for Examinees”.	in the “Guidelines for Examinees”.
------------------	---	--

(Note) Examination times are subject to change.

5. Documents to be submitted

Documents to be submitted should be (a) through (i) in accordance with "10. Application Documents" in the Application Guideline.

6. October Admission

This department does not offer October admission.

7. Other matters

- (1) Only special admissions for working people will be accepted for this course.
- (2) Applicants for this course must meet one of “1. Eligibility Requirements” (1) through (6) in the Application Guideline and have at least two years of work experience in a field related to this course.
- (3) Notes on inputting information into the Web Entry System
 - a. All designated fields must be filled in. If any field is not filled in, the application will be treated as incomplete.
 - b. Enter the name of the applicant's preferred field of specialization and the name of the applicant's preferred faculty advisor(s) up to the third choice, referring to the "List of faculty members and their fields of specialization" in the Application Guideline. You may enter another faculty member in the same specialty as a second or third choice. If you do not have a second or third choice by any means, do not enter it.
If there are any changes in the names of faculty members, etc., please check the latest version of the "List of faculty members and their fields of specialization" in the Application Guideline before applying.
 - c. Be sure to enter the name of the subject you will take in the "Special Subjects" column. If not entered, the application will be treated as incomplete.
 - d. Please enter your history up to the date of (expected) graduation from a university. Applicants for the Special Admissions for Working Adults must also enter their employment history.
 - e. If you have jumped years or have been educated outside Japan, please contact the Graduate Student Section, Academic Affairs Division, Graduate School of Agricultural and Life Sciences (see "14. Inquiries and Contacts" in the Application Guideline) for information on how to enter your educational background.
- (4) Refer to the Graduate School's website or the information in the Application Guideline for where to obtain previous years' questions.
- (5) If you have any questions about the entrance examination for this department, please contact the Department of Biomaterial Sciences (see "Contact Information for Each Department" in the Application Guideline).

(6) Please read the Application Guideline and this Admission Guide for the Graduate School Admission Examination carefully. If you have any questions about the application process, please contact the Graduate Student Section, Academic Affairs Division, Graduate School of Agricultural and Life Sciences (see "14. Inquiries and Contacts" in the Application Guideline) well in advance.
