2023年度実施 大学院入試の選抜方法について（予告）

Selection Methods for Graduate School Entrance Examinations for FY2023 (Preliminary announcement)

2023年度実施の東京大学農学生命科学研究科大学院入試は、以下のとおり、選抜方法を変更いたします。

The following changes will be made to the selection process for the Graduate School of Agricultural and Life Sciences Entrance Examinations for the 2023 academic year at the University of Tokyo.

1. 冬季に実施していた外国人特別選抜試験を廃止し、冬季にも一般選抜試験（冬季入試）を実施します。冬季入試は今までどおり、英語で受験できます。

The Special Selection Examination for Foreigners, which was held during the winter season, will be abolished and the General Selection Examination (Winter Examination) will be held during the winter season as well. The Winter Entrance Examination will still be administered in English.

2. 夏季に行う一般選抜試験（夏季入試）では、これまでも一部の専攻で日英併記の試験を行ってきましたが、来年度はより多くの専攻で日英併記の試験を行います。

In the General Selection Examinations (Summer Examinations) held during the summer, some departments have previously conducted both Japanese and English examinations, but next year, more departments will conduct both Japanese and English examinations.

3. 一部の専攻では、入学時期を選択（4月若しくは10月）することを可能とします。
For some departments, it is possible to choose the time of admission (April

or October).

各専攻の実施体制および募集定員については、次ページの別紙を参照してください。
また、詳細につきましては、2023年4月公表予定の学生募集要項の内容を必ず確認してください。

Please refer to the Appendix on the next page for the implementation structure and number of applicants for each department.

For further details, please be sure to check the contents of the student application guidelines, which will be published in April 2023.
